

Catalyst Case for 9.7" iPad Pro

The world's first waterproof case for the 9.7" iPad Pro.

Rounding up our family of iPad cases, the Catalyst case for the 9.7" iPad Pro delivers exceptional performance with an IP68 waterproof rating of 6.6ft (2m) and drop proof rating of 4ft (1.2m). Built with our signature durability features such as an impact-ready, grippy rubber bumper, extra large ports and integrated screen protector, this case provides unmatched acoustics and full access to features including stereo sound, Touch ID and Apple Pencil. The hard coated optical lens and flash port lets you take crystal clear images and 4k videos with the 12MP camera, and the stylish, transparent case front and back not only compliments the design of the device, but also protects it from coffee spills, messy kitchens, dusty workshops, or overloaded schoolbags, while the bonus flat-pack stand makes it ultra-portable and easy to use on any workspace.

FEATURES

- Waterproof IP68, 6.6ft (2 meters). Every case 100% tested.
- Dirt proof
- Snow proof
- Drop proof 4ft (1.2 meters)
- Integrated touchscreen film which provides seamless access to all features
- Features a premium rubber bumper for a soft grip
- Complete access to all ports and controls including all Control Center functions
- Hard-coated optical lens to protect the iPad lens without detracting from the quality of your photography
- Flash Port
- Touch ID compatible
- Accoustic clarity using air & water tight acoustic membranes
- Charge port compatible with most non-Apple Lightning connector heads up to 11.5 mm wide x 6 mm thick
- Audio port allows quick access to the 3.5 mm stereo headphone mini-jack & compatible with most aftermarket headphone jacks up to a port dimension of 6 mm
- Clear case front and case back that showcase Apple's design
- Includes a bonus flat-pack, multi-position stand
- Compatible with 9.7" iPad Pro and iPad Air 2
